Dear Bonnie,

On behalf of all of us at Rhode Island Free Clinic, particularly the patients we serve, we want to thank you for your generous donation to our clinic. The donation of Zestril and Plendil is of great importance to our hypertensive and diabetic patients. The supply of medication will allow our physicians and nurse practitioners to provide better care to the patients of the clinic. We appreciate and look forward to your continued support.

Thank you again for your generosity.

Sincerely,

*Judith Koegler*
